

PRC FUNDING

The Central School Council voted this year to use funds from the \$500 PIC Grant to initiate the development of our PARENT RESOURCE CENTRE

The PRC is being developed in response to parent survey requests for access to educational supports for families in French Language, Math, Science, Technology and Social and Physical Development.

***Connect Now to the
PCR Online Resources:***

<http://cscprc.weebly.com/>

- The Lending Library will be located in the Central School Library, in a designated bookcase.
- Activities and Books can be signed out by parents for 2 weeks (activities) and 3 weeks (books).
- PRC books lists, with descriptions and PRC activities/games lists will be posted and updated on the Parent Resource Centre Online website under the PRC tab accessed from the home page:

<http://cscprc.weebly.com/>

Currently the Lending Library is being developed with these most requested categories.

- ✓ Academic Support
 - French Language
 - Technology
 - Science
 - Math
- ✓ Nutrition / Health
- ✓ Mental Health / Well- being /Sex Education
- ✓ Home Life/ Time Management / Budgeting

The Lending Library and the PRC website are excellent tools to use for family learning and sharing, academic support and making community connections.
